House Divided: A Joe DeMarco Thriller (Joe DeMarco Thrillers (Paperback)) Mike Lawson
One of Deadly Pleasures' Best Thrillers of the Year

When the NSA was caught wiretapping U.S. citizens without warrants, a scandal erupted and the program came to a screeching halt. But the man who spearheaded the operation wasn't about to sit by while his country sleepwalked into another 9/11. Instead, he moved the program into the shadows. So when the NSA records a rogue military group murdering two American civilians, they can't walk over to the Pentagon and demand to know what's going on. However, as the largest intelligence service in the country, both in money and manpower, they have plenty of options— mostly illegitimate. DeMarco learns all too well just what the NSA is capable of, but he doesn't like being used, so he fights back.
