Reeling from grief, Amanda takes a vacation to her parents' mountainside cabin in the woods outside of Seattle, Washington. While in town, she meets a handsome young man named Dylan, but he has a deep secret.

One night, out on a date, Amanda finds out that Dylan can shape shift into a bear, but not just any bear. He shifts into a super rare and powerful white Spirit Kermode Bear. This is also the same night that she reveals to Dylan that she's a virgin.

She also learns that a local clan of rival bear shifters are committed to stopping the white spirit bears from expanding their territory. After a few days, she finds herself right in the middle of the conflict.

Amanda is faced with a choice. She can stay out of the fight and lose Dylan forever, or she can fight with him and maybe lose something of her own.
