Adam and Chad are eight months into their relationship, and while things are mostly good, Chad still has trouble with submission to his very dominant partner. Adam decides to take the handsome, conflicted Chad to a private, very exclusive resort in Florida, dedicated to the D/s lifestyle. Once there, they become embroiled in a mystery plaguing the resort's owners--freak accidents injuring and even killing subs are happening with increasing frequency, and the tragedies are threatening to ruin the business. The owners ask Chad and Adam to look into it, even though Chad has no jurisdiction in the state. Soon they find that not only their relationship but their lives are at risk, and if they don't solve the mystery soon, they might not find their way back to each other.
