The John F. Kennedys

Mark Shaw

The John F. Kennedys Mark Shaw

This expanded and redesigned edition of the best-selling Kennedy family album of all time features classic and new photos, reproduced in duotone and color, in an elegant design by Louise Fili and introduced by veteran Kennedy commentator Richard Reeves.

Mark Shaw met the Kennedys on assignment for *Life Magazine* and became the family's favorite photographer. Unparalleled access to the White House and the Kennedy compound at Hyannis Port, and a close relationship with Jacqueline Kennedy, allowed him to create this intimate portrait of a beloved first family and to capture the glamour and elusive magic of the Camelot years.
