Bullying Teacher: The Complete Serial Sadie Sins

Beau Ashford has again found himself the victim of bullying. Surprising, considering he's an established teacher now. His pretty face and weak demeanor have made him the target of every aggressive eye that's turned his way, this time his own students. Darien Castello—strong, confident and son of a billionaire senator—is willing to protect his pretty teach, but for a price. Either he gets paid \$500 a week for his protection services or he's going to help make Beau regret starting his science position in the wealthy university. If Beau can't afford it all, Darien is happy to take it out in trade. \$450 worth of his teacher's body. What starts as a bizarre protection scam quickly spirals into something else as Darien awakens dark, confusing desires in his once innocent, straight teacher. Can Beau find a way to free himself from the strange obsession taking him, or will he be bullied into something that could lose him his job and life as he knows it? www.sadiesinsbooks.com
