The doctor licked his lips. 'There's one procedure that I've never been able to perform on anyone as young and beautiful as you...'

The more he spoke, the more concretely sure I was that I was about to get pumped by Doctor Brown.

'It's an enema,' he said suddenly, matter-of-factly.

Oh god, not that kind of pumped!

Cindy is **18 and a little naive**. She works for the **strict and sexy Doctor Brown**, but she's worried that she's bad at her job.

When Doctor Brown finds Cindy in the surgery playroom after hours one night, he shows her how much fun playing with toys can really be... but this time they're grown-up toys... *medical* toys... **That's when Cindy gets her first enema**. And she kind of likes it.

This story includes a woman receiving an enema, first time oral sex, manual stimulation, messy play, medical play and submission. All characters in the story are consenting and over the age of eighteen. Reader discretion is advised. Strictly for adults only!
