Members Of The Universal Class, Meet One Of You is based on a true story of a young man that was scarred very early in life, who set out to grasp the wonders of it. In the second grade, I was retained even though I had the grades to pass. Being a minority in a predominately white school, the administration told my mother, that based on my attitude, that I would be retained at some point in life and that the earlier, the better. I set out to have a universal understanding of all subjects. I came to the understanding that a chain is only as strong as its weakest link and tried to master all courses of the educational institutions in America. This base filtered into my social life. I wanted to be all I could be. By the twelfth grade the community created an award, The Black Educators N.A.S.D. Award (the first and only time it was presented). Also in the twelfth grade I had excelled in sports to where I anchored the fastest mile relay team in the country and had found my wife to be (the greatest love story ever told). This book is the development of a child based on this incident, which has led me to a life time marriage with my wife (the cheerleader), training with and coaching world record holders and Olympic Champions, obtaining degrees and educational experiences from all parts of America, employment with one of the top ten companies in the world and involvement in Civil Rights that led to an invitation to the White House. It is also and most of all, a Testimony of how God delivered me through a heart transplant operation. Please enjoy as you read. The Author
