Don't Stop Believin': Five Finger Piano, Sheet (5 Finger)

Just one of the hits from Journey's 1981 nine-time platinum album Escape, "Don't Stop Believin'" is loved by fans young and old and has been featured on television shows, in movies, and at sports events around the world. This 5 Finger Piano arrangement includes lyrics and is set in traditional five-finger style, with the melody split between the hands, and without a key signature in the student part. Dotted quarter notes, triplets and sixteenth notes have been avoided. An optional duet accompaniment is provided for a fuller, richer musical experience.
