Managerial Economics and Strategy Plus MyEconLab with Pearson eText -- Access Card Package (2nd Edition) (Pearson Series in Economics) Jeffrey M. Perloff, James A. Brander

NOTE: Before purchasing, check with your instructor to ensure you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab & Mastering products, you may also need a **Course ID**, which your instructor will provide.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For courses in Managerial Economics.

This package includes MyEconLab®

A Problem-based Approach that Uses Modern Theories and Real-world Examples

Managerial Economics and Strategy uses real-world issues and examples to illustrate how economic principles impact business decisions. Emphases on agency and contract theory, managerial behavioral economics, game theory, and pricing are especially valuable to future managers. In-text examples and boxed mini-cases use actual data to illustrate the use of basic economic models, while Q&As pose important managerial or economic problems and demonstrate a step-by-step approach to solving them.

The **Second Edition** has been fully revised and updated to reflect new supply-and-demand curves and include discussions of corporate social responsibility, opportunistic behavior, and innovation. It also features new learning objectives, examples, end-of-chapter questions, and spreadsheet exercises.

Personalize Learning with MyEconLab

MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
