**St. Clare: A Short Biography** Joan Mueller O.S.C., Joan Mue O.S.C.

St. Clare is a much-loved figure in Catholic sainthood, although less known than St. Francis of Assisi. These two figures were critical to the renewal of the Church in their time, and their work has implications far down the ages, to our present time.

*St. Clare: A Short Biography* looks at the founder of the Order of the Poor Ladies (now the Order of Saint Clare, commonly referred to as the Poor Clares), a monastic religious order for women in the Franciscan tradition. It considers the woman who heard and chose to follow Francis rather than marrying a young and wealthy man as her parents wanted, who moved to the church of San Damiano and then drew other women to a place known for its radically austere lifestyle. Most of all, the book reflects her theology of joyous poverty in imitation of Christ, and her willingness to follow the call of Christ.

This is an introductory portrait of St. Clare beyond the common perceptions, with the spirit of Franciscan practice implicit throughout the work. *St. Clare: A Short Biography* highlights the relevance of this pivotal saint to our lives here and now.
