The newly married couple, Ryan and Olivia Rayner, settle into their lives together and are thrown into an emotional whirlwind that pushes Ryan into seeking outside help from an old friend. As Via and Ryan embark on their new adventure, retired actors Ryan and Melanie Carlisle (Secrets Revealed) enter their lives in the most unexpected way. The Carlisle's have been forced out of retirement and the Rayner's are just the ticket they need to teach them how to be Dom/Sub. Ryan & Via must prove that their marriage is more than just pleasure for the sadistic. As the Carlisle's begin to accept them as normal, someone from both of the couple's past has made an unpleasant return. Via and Melanie are then forced to work together in order to save their husband's lives. After this major scare of almost losing her husband, there couldn't possibly be more drama in their lives. Could there? Shortly after saving her husband's ass, Via soon unravels a secret she never suspected Ryan would carry. A secret so wet and juicy that it will leave you so...well...wet and juicy!
