The gripping fourth installment in an epic series about Furnace - a terrifying, underground prison for teenagers - now with a stunning new cover treatment. Alex thought that escape was impossible. He was wrong. We broke out of Furnace but we're still not free. The city is in lockdown - roads sealed, police everywhere. And there are worse things here: creatures of death sent to bring the world to its knees. I'm turning into one of them, into a monster. To put an end to this blood-crazed madness I have to travel into the heart of darkness. I have to find Alfred Furnace before he finds me. Soon the whole world will be a prison. Action-packed, gritty and gruesome - this is the perfect read for thrill-hungry teens. With striking new covers that really bring these chilling stories to life.
