How To Build Your Own Custom Spa, Hot Tub, Swim Spa or Exercise Pool Gene Trumbull

How To Build Your Own Custom Spa, Hot Tub, Swim Spa or Exercise Pool is a complete step by step set of building guides showing you exactly how to build a Resort Quality spa, hot tub, swim spa or exercise pool for a fraction of the cost of a commercial unit and most factory built portable spas. This package comes with all 5 of my spa building books on a cd and a two and a half hour video DVD, taking through my step by step building process. I take you from looking at the place on the ground you choose to build on to the finished running hot tub. This information is not about building some low budget, backwoods eyesore. I show you how to create a beautiful unit that you can be proud of and enjoy for many years to come. As my customer, you get free coaching help from me personally when building your hot tub or spa! You can call or email me anytime you need help during your project. Also, I will carefully guide you in the selection of all your spa equipment and provide all the equipment you will need delivered right to your door. As an extra bonus with this spa building package, I am including my DIY Backyard Projects book and Deck, Porch, Gazebo building book on a cd. In these books I give you all the basic details for building an Outdoor Kitchen, Tiki Bar, Fire pit, Fire box, Rainwall, Deck and more!
