One of the oldest and most popular forms of expression is poetry. The oldest belief is poetry has rules; only certain subjects can be used when writing poetry. Within the pages of this book are found writings that prove this rule a myth.

Among these poems you'll find a tribute poem to Michael Jackson and another for Jimmy "The Rev" Sullivan, a young drummer from the band Avenged Sevenfold who was taken from the rock star world far too soon. His bandmates were also graced with poetry and a short story. Other short stories can be found as well.
