Can one man satisfy Alexa's appetites? Or will it take two?

After a disastrous lesson in heartache, Alexa Jones confines her adrenaline rushes to intense boardroom negotiations. Her legendary control cracks and she indulges in a high-octane encounter on the hood of her sports car. She never planned to see the enticing stranger again. When she finds herself across the boardroom table from him, there's suddenly more at stake than just her career.

Justin Winston got more than he bargained for on his summer drive, but he should have known nothing is ever that easy. He's met the woman of his dreams yet he doesn't know who she is. Luckily, he can always count on his practical brother for the things that matter, and this time is no exception. But, when a web of corporate espionage entangles them all, it's clear Justin isn't the only one who's fallen for their mysterious siren.

In Justin and Jason, Alexa finds something as unique and rare as the patent they will risk their lives to secure. The freedom to explore-and satisfy-the full range of her desires. From naughty to nice. Can Alexa accept the love of two men?

This story contains light bondage, anal play and smoking hot brothers for double the fun and double the trouble.
