Quantum Memory: Learn to Improve Your Memory with The World Memory Champion! Dominic O'Brien

Develop a quantum memory so powerful, you're like a human computer!

You'll learn to remember names, faces, numbers, birthdays, dates, appointments, or any sequence of numbers you want. Once you have unleashed your memory power there will be no limits to the type or quantity of information you wish to store.

In this *Quantum Memory Power* program I am going to explain a system that I developed which I believe has been pivotal in enabling me to win those World Memory Championships. It is so devastatingly effective that unfortunately for me, my rivals in competition are now using this system to try to beat me and one or two are getting too close for comfort.

With each powerful technique I give you, I'll give you practical applications and exercises to test and strengthen your abilities in each area. You'll be using your imagination and creative powers in ways you never imagined to gain speed, accuracy and poise in the development of your own special quantum memory powers.

In *Quantum Memory Power*, you'll learn:

- How your brain operates
- To improve your decision making powers
- The exciting world of mnemonic symbols.
- A powerful way to remember directions
- To develop laser-sharp concentration
- How to ace a tough job interview
- Developing a mental fact file
- An increased sense of self-confidence
- To memorize a deck of cards and gigantic numbers

You're about to take the journey of a lifetime. I guarantee, you never realized that learning could be such fun. Develop a quantum memory! See you at the next World Memory Championship!
