It may sound like a children's book but this compilation is strictly for adults who have never quite grown up; like me! If this sounds like you too, then why not take a jaunt down the Edwoodwood Wood, home of the Six Bunnie Wunnies, and join them as they go on a rampage around the Kent countryside, to the Kingdom of the Fairy Queen, Hell and back and to the deepest, darkest African jungle where they encounter all manner of life threatening situations. It's completely ludicrous and totally politically incorrect but guaranteed to put a smile on your face...and we could all use one of them now and again!
