**Lisa Walker:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Information Security Analytics: Finding Security Insights, Patterns, and Anomalies in Big Data by Mark Talabis (2014-12-10) can make you sense more interested to read.
