Romantic mystery with a twist....

Psychic Jessica Wilder was a consultant for the FBI, until she suffered burnout. The visions leave her alone for several months, and she begins a peaceful new life for herself. Suddenly, the visions are back with a vengeance - of children being kidnapped. How can she not try to save them? Detective Jonathan Lansing doesn't believe in psychics, but the young woman in front of him is very convincing. Can she help him track down a kidnapper? Or, is she involved in the crime?

Another child is taken from under their noses. As they follow her turbulent visions through several states and into Canada, Jessie and Johnny discover they want more than a working relationship. Will their desires distract them from finding the children in time?
