Rebecca Goza:

As a pupil, I exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make a summary for some publication, they complained. Just very little students that have reading's heart or real their interest. They just do what the instructor wants, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise, word says, ways to reach Chinese's country. Therefore, this My Selected Poems in English can make you sense more interested to read.
