**The World's Greatest Grandpa: A Children's Guide to Understanding Alzheimer's Disease** Dr Joseph Morris

Alzheimer's Disease is a condition that affects millions of people. Persons that are diagnosed with this disease will eventually lose their memory. This book focuses on the relationship between a boy and his grandfather, who has Alzheimer's Disease. Although the grandfather has problems remembering things, he is still considered the "World's greatest grandpa." Dedication This book is dedicated to the children of parents and grandparents that love and have cared for someone with Alzheimer's disease or other related disorders that cause permanent memory loss. Please know that your feelings matter and you are not alone. And to our loved ones, "Although our thoughts may one day come to pass, precious moments that we spent together will never be forgotten." Dr. Morris
