Your First Year as Principal Revised 2nd Edition: Everything You Need to Know That They Don't Teach You in School Tena Green

As you sit at your desk behind the door ominously marked “Principal’s Office,” you are suddenly struck with a feeling of terror; what have you gotten yourself into? Being a principal is a difficult job filled with great responsibility and stress. Before you panic, you should know that most principals survive the first year. However, *Your First Year as a Principal* will help make the first year easier, providing you with all the information you did not learn in school.

With the help of this extensively researched book, first-year principals will learn how to step out from behind the previous principal’s shadow, how to make changes without changing too much too soon, and how to deal with teachers, parents, and students. You will also learn how to handle the stresses of the job, how to find a mentor, and how to plan for public relations.

You will learn about the common mistakes first-year principals make and how to avoid them. You will learn about all of the duties that fall on your shoulders and how to handle that responsibility. You will also learn how to build strong relationships with teachers and staff, how to pick your battles, how to handle bullying in your school, how to boost staff morale, how to discipline students, and how to deal with conflicts.

Ultimately, you will clearly understand what comes with being a principal. You will be able to clarify and define your roles, expectations, and responsibilities. Novice and veteran principals alike, who have all previously been in your position, offer their advice and tips on surviving your first year and excelling beyond. Also included are from-the-headlines blurbs to help you handle recent education policy changes.

Whether you are the principal of a small, large, public, private, charter, urban, rural, or suburban school, *Your First Year as a Principal* will be an indispensable companion. With the help of this book, not only will you survive, you will also enthusiastically look forward to your sophomore year.

Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president’s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate.
