Practical Theology: An Introduction

Richard R. Osmer

Practical Theology: An Introduction Richard R. Osmer

Every church congregation encounters challenging situations, some the same the world over, and others specific to each church. Richard Osmer here seeks to teach congregational leaders -- including, but not limited to, clergy -- the requisite knowledge and skills to meet such situations with sensitivity and creativity.

Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions: *What is going on in a given context? Why is this going on? What ought to be going on?* and *How might the leader shape the context to better embody Christian witness and mission?*

The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders. Useful, accessible, and lively -- with lots of specific examples and case studies -- Osmer's *Practical Theology* effectively equips congregational leaders to guide their communities with theological integrity.

From reader reviews:

Deborah Ellefson:

In this 21st century, people become competitive in each and every way. By being competitive now, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that at times many people have underestimated it for a while is reading. Yes, by reading an e-book your ability to survive improves then having a chance to stand up than other is high. For you personally who want to start reading some sort of book, we give you this particular Practical Theology: An Introduction book as a beginner and daily reading publication. Why, because this book is usually more than just a book.

Glenn Wallin:

Do you have something that you enjoy such as a book? The guide lovers usually prefer to choose a book like a comic, quick story and the biggest the first is a novel. Now, why not seek Practical Theology: An Introduction that gives your enjoyment preference will be satisfied by means of reading this book. Reading practice all over the world can be said as the method for people to know the world considerably better than how they react to the world. It can't be claimed constantly that reading habit only for the geeky man or woman but for all of you who want to end up being a success person. So, for all of you who want to start studying as your good habit, you may pick Practical Theology: An Introduction become your starter.

Robert Armistead:

This Practical Theology: An Introduction is a great reserve for you because the content and that is full of information for you who else always deal with the world and have to make a decision every minute. That book reveals its information accurately using great coordinate words or we can claim no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but hard core information with wonderful delivering sentences. Having Practical Theology: An Introduction in your hand like finding the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offers you the world within ten or fifteen minutes right but this publication already does that. So, this really is a good reading book. Hey there Mr. and Mrs. busy do you still doubt which?

Marge Lee:

As we know that a book is a significant thing to add our expertise for everything. By a reserve we can know everything you want. A book is a range of written, printed, illustrated as well as blank sheet. Every year was exactly added. This book Practical Theology: An Introduction was filled with regards to science. Spend your free time to add your knowledge about your science competence. Some people have diverse feelings when they read a book. If you know how big a benefit from a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get a book that you just wanted.
