The Seven Pillars of Reinvention: Finding Your Passion & Purpose Tracy Kawa

If we were already invented—perfect, whole, and complete—then why do we fight so darn hard to change who we are? Each person on this earth was born with a set of talents and abilities. So could you imagine what life on this planet would look like if each and every one of us actually tapped into these unique talents and abilities? Think about it . . . we'd have this place running like clockwork!

What if you could wake up every day feeling energized and enthusiastic about going to work? What would it feel like to have laser-focused passion in your professional life? How satisfying would it be to know that you are using your strengths and gifts in your area of expertise? And how many people could you help inspire if you were living the life you were meant to live?

If you said a ton, good answer! The Seven Pillars of Reinvention gives you a boost to start thinking about the fundamental distinctions of reinvention itself. Reinvention is not about throwing away the old you to bring in a newer model. Rather, it is about excavating the oh-so-close-to-the-surface authentic you—and all of the distinctions that help you define, and ultimately refine, who you get to be in this lifetime to accomplish your dreams and goals!

Tracy Kawa invites you to read *The Seven Pillars of Reinvention* and hold her hand while you begin to think about the fundamentals that help define who you are. Answering some basic questions will start you on your way:

- Do you often feel like a square peg in a round hole at work?
- Are you looking to make a career shift to a more fulfilling and/or challenging role?
- Is your current place of employment downsizing or restructuring?
- Are you looking to take your business to the next level?
- Do you want to add more passion and purpose in your life?
- Are you generally satisfied, yet feel as though there's one small thing missing? And are you not quite sure what that one small thing is?

Every individual is born with God-given strengths and talents. Along the way we acquire our own personal beliefs and values. What are yours? This book is your personal conversation starter—your very own thought-igniter! It exists to help you define your very own Seven Pillars of Reinvention and to help you understand why defining these pillars is crucial to living a life of passion and purpose.
