NOTE: While reading the series in order is recommended, it is not necessary. Each story is a stand alone title featuring new primary characters with limited overlapping secondary characters.

Wren Cooke has everything she's ever wanted--a thriving career as one of LA's top interior designers and a home she loves. Business trips, mockups, and her demanding clientele keep her busy, almost too busy to notice Ethan Cooke Security's gorgeous Close Protection Agent, Tucker Campbell.

Jaded by love and relationships in general, Wren wants nothing to do with the hazel-eyed stunner and his heart-stopping grins, but Tucker is always in her way. When Wren suddenly finds herself bombarded by a mysterious man's unwanted affections, she's forced to turn to Tucker for help.

As Wren's case turns from disturbing to deadly, Tucker whisks her away to his mountain home in Utah. Haunted by memories and long-ago tragedies, Tucker soon realizes his past and Wren's present are colliding. With a killer on the loose and time running out, Tucker must discover a madman's motives before Wren becomes his next victim.
