Handbook of Early Childhood Intervention

Handbook of Early Childhood Intervention

The main intent of this volume is to integrate the theory, research, and practical knowledge that guide current practice in the rapidly growing field of early childhood intervention, and to frame the agenda for its continued growth and maturation. Designed to serve as a core reference for those interested in young children with disabilities or developmental vulnerabilities, and their families, it will serve as a key resource for providing a comprehensive overview of the current and future direction of the field.
