## **My Uncle Charlie (Tales of the Notorious Hudson Family, Book 2) Julie Shaw**

If you lived on the notorious Canterbury Estate in the '40s and '50s, then you knew there was one man you did not want to cross: Charlie Hudson. A solitary man, feared and respected by the gangsters of the time, Charlie was a boxer who never lost a fight, in or out of the ring - the most infamous of The Canterbury Warriors.

*My Uncle Charlie*, the second title in the explosive series unravels a story of debauchery, crime and self-destruction. Charlie Hudson was a born leader. The eldest of eight brothers and four sisters and with a boxer for a father, fighting was in his blood. And as the young protégé of local Italian gangster, Mr Cappovanni, Charlie not only learned to knock every opponent out, he also learned the tools of the crime and extortion trade well; emerging into adulthood in the middle of the war years as a natural heir: running cons, illegal books and a band of prostitutes.

But when Charlie met Betty, a sweet, caring girl, he was determined to be a better man for her. He'd still deal with 'business' but no more would he bed his working girls, and the birth of their baby girl, Elizabeth, sealed it: he knew life could not get any better. But for a man who had only ever lived in the belly of the Canterbury Estate underworld, it could definitely get worse...

Gritty and engrossing, book two of the Hudson family saga delves deeper into history of the infamous Canterbury Warriors; the true story of one man's ascendancy to power, and the tragedy that brought it all crashing down.
