#### **Joseph Boyd:**

People live in this new moment of lifestyle always try and and must have the time or they will get wide range of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not just a robot. Then we question again, what kind of activity do you possess when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, the particular book you have read is usually Choke by Diana Lopez (2012-07-01).

#### **Helen Noyola:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Choke by Diana Lopez (2012-07-01) can make you sense more interested to read.
