Crazy Sam is harmless and not really crazy, at least not in the beginning. He really loses it after he becomes a sparrow for a while; which is a long time after he begins falling into inexplicable “other places” when passing through certain doorways.

In these crazy states which Crazy Sam attributes to all of his past and current addictions he meets Jahcha, a teacher and guide. Sam begins to waken from years of sloth and apathy only to go really crazy.

In the end Sam manages to survive the thundering big red bus, the ocean of whiskey he almost drowns in, and the never ending fall; not to mention the bullets and bombs.

Likeable Crazy Sam even manages to become a hero once or twice before the final piece is found; and he ends up with Lisa which is cool.
