Don Schmincke

The Code of the Executive: Forty-Seven Ancient Samurai Principles Essential for Twenty-First Century Leadership Success Don Schmincke

More than a thousand years ago, a group of business executives developed a set of principles for organizational leadership in a competitive market. Those executives were the samurai of ninth-century Japan, and their rigid code of ethics, known as bushido, was one of the most effective frameworks for management in history. **The Code of the Executive** is business adviser **Don Schmincke's** modern interpretation of the Code of the Samurai--ancient wisdom written for today's corporate warriors. These principles provide a dynamic system of practical and moral training for effective leadership. In addition to interactive strategies for relating to the business world, this philosophy provides at its core a guide to the inner development necessary for consistent and long-term success. A terrific gift for a friend, relative, new graduate, or business associate, **The Code of the Executive** is filled with relevant wisdom and offers an enlightened path to business fulfillment.
