## **The Five Stages of Andrew Brawley** Shaun David Hutchinson

A heartbreaking yet uplifting story about a boy who has lost everything but finds new hope drawing in the shadows of a hospital. Features a thirty-two-page graphic novel.

Andrew Brawley was supposed to die that night, just like the rest of his family.

Now he lives in the hospital, serving food in the cafeteria, hanging out with the nurses, sleeping in a forgotten supply closet. Drew blends in to near invisibility, hiding from his past, his guilt, and those who are trying to find him. His only solace is in the world of the superhero he's created—Patient F.

Then, one night, Rusty is wheeled into the ER, half his body burned by hateful classmates. Rusty's agony is like a beacon for Drew, pulling them together through all their pain and grief. In Rusty, Drew sees hope, happiness, and a future for both of them. A future outside of the hospital, and away from their painful pasts.

But to save Rusty, Drew will have to confront death, and life might get worse before it gets better. And by telling the truth about who he really is, Drew risks any chance of a future...for both of them.
