Wuthering Heights (Oxford World's Classics)

Emily Brontë, Helen Small

Wuthering Heights (Oxford World's Classics) Emily Brontë, Helen Small

Wuthering Heights is one of the most famous love stories in the English language. It is also, as the Introduction to this edition reveals, one of the most potent revenge narratives. Its ingenious narrative structure, vivid evocation of landscape, and the extraordinary power of its depiction of love and hatred have given it a unique place in English literature. The passionate tale of Catherine and Heathcliff is here presented in a new edition that examines the qualities that make it such a powerful and compelling novel. The Introduction by Helen Small sheds light on the novel's oddness and power, its amorality and Romantic influences, its structure and narration, and the sadistic violence embodied in the character of Heathcliff. The volume retains the authoritative Clarendon text and notes, with new notes that identify literary allusions hitherto unnoticed. In addition, the edition boasts two appendices, one of which contains poems by Emily Brontë selected for their relevance to the novel, and a second which contains Charlotte Brontë's "Biographical Notice of Ellis & Acton Bell" and "Preface to the New Edition."

From reader reviews:

Ethel Fung:

Information is provisions for people to get better life, information currently can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is from the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Wuthering Heights (Oxford World's Classics) as the daily resource information.

Robert Spann:

Reading a e-book can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people love it. First reading a book will give you a lot of new information. When you read a guide you will get new information since book is one of many ways to share the information or maybe their idea. Second, reading through a book will make you more imaginative. When you studying a book especially fictional book the author will bring one to imagine the story how the character types do it anything. Third, you are able to share your knowledge to other folks. When you read this Wuthering Heights (Oxford World's Classics), you can tells your family, friends along with soon about yours e-book. Your knowledge can inspire others, make them reading a reserve.

Joseph Yancey:

Playing with family in the park, coming to see the marine world or hanging out with buddies is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Wuthering Heights (Oxford World's Classics), you could enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

Irene Robertson:

Many people spending their period by playing outside having friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book can really hard because you have to take the book everywhere? It okay you can have the e-book, taking everywhere you want in your Cell phone. Like Wuthering Heights (Oxford World's Classics) which is finding the e-book version. So , try out this book? Let's notice.
