## Educational Media and Technology Yearbook 1999: Volume 24 (Educational Media & Technology Yearbook)

Published in cooperation with the ERIC Clearinghouse on Information and Technology and the AECT, this volume of EMTY provides essential and timely information that helps educational technologists, librarians, and media specialists practice their profession in a dynamic and changing field. Respected authors in the field have contributed essays that address technological trends in education and training. There are detailed listings of United States and Canadian associations and graduate schools as well as a mediagraphy of print and nonprint resources. The book also informs readers about the activities and accomplishments of those organizations and associations dedicated to the advancement of educational communications and technology.
