Blind Justice - introduction novella to the series.

For eight long years, Detective Inspector Lorne Simpkins has tracked the vicious criminal known as The Unicorn. But the killer has frustrated MI6 at every turn and remained successful at Impeding Justice.

When Lorne is targeted in a trap that results in the death of her partner, the tragedy shakes her confidence to the core. Before she has time to recoup, her teenage daughter is kidnapped. More than Lorne's professional reputation rests on her bringing The Unicorn to justice.

Some praise from satisfied thriller readers.

Shell, Lincoln... This was a fast paced story full of suspense and I am just about to buy the next book as I can't wait to see what happens. I would definitely recommend this book!

Knightmare said... I read this book practically in one sitting and then went straight on to read the sequel. It's a fast-paced story with a terrifying villain and a great heroine. I love books with strong female characters and Lorne Simpkins is one of the best I've come across - no matter what's thrown at her, she keeps on fighting. The book has the feel of an English version of 24 with a female Jack Bauer.

D. Thompson said...All in all, an enjoyable thriller and I did immediately download the sequel, so that, in itself, is sufficient recommendation.

Irene said...Was not sure what I expected but loved this book it was fast paced from page one and did not let up, in fact i only downloaded it yesterday lunchtime and could not put it down I stayed up till 12.30 this

morning to finish it, the characters were excellent even the bad guy was portrayed in such a way as to send shivers down the spine. Cannot wait for the sequel to see what happens next.
