This book very extensively researches both the Divinity and humanity of Christ. It reveals the great importance of Christ encountering our very humanity to thereby become a meaningful victor, and become the first fruit of the resurrection. This book also reveals the great importance of Christ's faithfulness and Divinity to firstly, fully overcome and defeat our humanity, secondly to thus without sin give Himself as a sinless sacrifice, and thirdly to at last resurrect from our humanity, paving and displaying the way for humanity to do the same.
