Richmond's Unhealed History Benjamin Campbell

In a detailed look at the history of Richmond, Benjamin Campbell examines the contradictions and crises that have formed the city over more than four centuries. Campbell argues that the community of metropolitan Richmond is engaged in a decisive spiritual battle in the coming decade. He believes the city, more than any in the nation, has the potential for an unprecedented and historic achievement. Its citizens can redeem and fulfill the ideals of their ancestors, proving to the world that race and class can be conquered by the deliberate and prayerful intention of honest and dedicated citizens.
