## **Stupid History: 2011 Day-to-Day Calendar** Leland Gregory

Satirist Leland Gregory's books, *Stupid History* and his newest release *Stupid American History*, have taught us lessons in historical hilarity. The daily pages of this calendar, with excerpts from these popular best-sellers, offer more tales of historical myths, faux facts, strange events, and tales of human stupidity throughout history. Historians and humorists alike may be surprised to learn that: Chinese checkers did not originate in China, and the game doesn't use checkers. The game was created in England, and it's played with marbles on a star-shaped board. The men who in 1908 wrote and composed the anthem "Take Me Out to the Ball Game," Jack Norworth and Albert von Tilzer, had never been to a baseball game. Ten-gallon hats cannot hold ten gallons of anything they don't even hold one gallon. They are pretty much filled to the brim with three quarts.
