Theory Gymnastics is the most creative and comprehensive theory curriculum available and the perfect companion to every method. By combining hilariously funny games with their creative books, the Three Cranky Women (TCW) have elevated music theory from the boring "must-do" to the "I can't wait to do!" Whether a practice page or a brain-teasing difficult puzzle page, the variety of activities requires students to repeatedly use and apply each theory concept in new and different ways.

Designed as a fast-paced book for older beginners (young teens to adult), this volume covers all concepts of Theory Gymnastics levels A and B in creative, thorough, and fun ways. Includes age-appropriate artwork, verbiage, pacing, and activities.
