We have had just one desire since we published the first issue: to prepare an English version of the issue, and share our work with people who are enthusiastic about world history and to introduce the cultural heritage of Anatolia to people all over the world. We wish to thank the Turkish Ministry of Culture and Tourism, which has given us encouragement to prepare the English version of Anatolian Archaeology Magazine, for their strong support.

We are so glad to take the first step toward the publication of ACTUAL ARCHAEOLOGY MAGAZINE with this issue.
