## **Desmond and Garrick Book 1** Hayden Thorne

It's 1815. Garrick Mortimer is a scholar extraordinaire, an underemployed and starving genius, who agrees to sign on as tutor to Desmond Hathaway, the youngest son of a vampire family living in Yorkshire.

Desmond, heartbroken by another boy's callous treatment of him in school, rebels against Garrick's attempts at educating him and does everything he could to chase Garrick away, which proves to be a greater challenge than he first thought.

When Desmond's older brother returns from Italy for a visit and brings with him a small group of talentless and self-absorbed poets, life in Dryden Abbey turns upside-down, mainly when Desmond meets Leigh Blaise Sherbourne, a sullen vampire poet.

Throw into the mix a desperate mother's plea for grandchildren, a family-owned torture chamber, a cottage-abbey-and-quarter-castle, and a grumpy family magician, and Garrick finds life in the Hathaway household to be a great deal more than he bargained for.
