Presented in the style of an artist's journal, this remarkable handbook uses an informal, conversational approach to teach a wide variety of innovative mixed-media jewelry techniques. Accompanied by fairytale introductions and augmented by watercolor illustrations and design sketches, the 20 unique projects featured, ranging from the delightfully simple to the exquisitely ornate, are infused with personal meaning. Projects make use of various newly popular techniques in mixed-media jewelry, including the creation of resin pendants, PMC clasps, polymer clay beads, and more. All basic techniques are made clear by step-by-step photography.
