I will stand the line between the light and the darkness. I will master myself for as long as I am lost in the gray.

??The army of Chreos knocks upon the doors of Nefas, and blood paints the fields of war. The Great Tyrant has delivered a crushing blow to Ephanlarea, and the dust of pain and loss is settling. Mother Earth despairs under the weight of existence while the sun bears down upon all. As the Tyrant reveals his final, terrible plan, will all hope truly be lost?

??Return to Ephanlarea for the fourth and concluding book of the Everflame series. Continue the journey of Evercloud, Densa, the brothers Floyd, Annie, Tenturo and more, as alliances are forged, sacrifices are made, and the truth of the prophecy is revealed.

??Will heroes prevail? Will peace and harmony be restored? Will the light of the flame burn strong enough to withstand evil's final assault? Or will it be the darkness that brings a final salvation? Evercloud and Densa combine forces, and prepare for the shocking end to this epic tale, as the darkness waits...
