Gain the first-hand experience and complete background you need for success in calculating payroll, completing payroll taxes, and preparing payroll records and reports with this market-leading PAYROLL ACCOUNTING 2008 text. This leading annual revision ensures you understand all of the latest laws and up-to-the-minute updates regarding payroll in business today. The book focuses on practical applications rather than theory, giving you an opportunity to practice each concept you learn with useful hands-on end-of-chapter exercises, including new Microsoft Accounting practice problems. New examples throughout this edition and real business applications enliven this text's presentation and clearly demonstrate the relevance of what you are learning to today's business practices. An extensive project within the last chapter of the book gives you the opportunity to apply what you've learned either manually or using leading payroll software. With each new book you receive a free Payroll Accounting software CD by Klooster/Allen and a Payroll Tutorial CD by ADP, today's leading provider of payroll services and products. Find everything you need within this leading text, package, and accompanying website for a thorough understanding of payroll and the practice you can use to prepare you for success now and throughout your business career.
