**In this book you will learn in depth how to welcome your new member of the family and how to teach him from the start the right behaviour with love and affection.**

**Voted BEST PUPPY GUIDE by the Professionals in the field.**

*Be ready for your new puppy to come home. This book covers everything from naming your puppy to house breaking and even playing smart games with him*

Taking the decision to bring a new member in the family, a puppy, is a big decision. Most people don't realise the responsibilities they agreed on taking by having the puppy coming in. In order to be ready there are a few steps to learn before your puppy to arrive and then a lot to do continuously since the first day he has arrived.

This book contains proven steps and strategies on how to welcome your new addition into your home and how to train your puppy effectively in housebreaking, obedience, getting him used to the leash and various social situations.

This book is your go-to guide for training your new puppy, and you should ideally read it long before you even adopt your new puppy. There is a well-known myth that puppy obedience training should only start at six months of age, and that couldn't be further from the truth.

Puppy obedience training starts the minute you adopt your puppy, from giving the correct name to introducing your puppy to their first leash and collar, everything contributes to the obedience training of your puppy and starts day one.

This guide will help you every step of the way with your new puppy and contains useful training techniques and tricks to teach your puppy and help him grow into a happy, mature dog.

In this book you can expect the following:

- How does a puppy think
- Setting the ground rules
- Crate Training
- House Breaking your puppy
- Stop Biting and Mouthing
- Puppy-Proofing your house
- Grooming your puppy
- Introducing training in his life
- Getting familiar with the leash
- Socialization of your puppy
- Avoiding anxiety when left alone in the house
- Showing your love & affection to your puppy
- Teaching tricks to your puppy
- Small games to play with your puppy
- Naming your puppy
