## **Ramban - Bereishis Vol. 1: The Torah with Ramban's commentary translated, annotated, and Elucidated** Nahmanides

Ramban (Nachmanides) Rabbi Moshe ben Nachman, who lived in 13th-century Spain, was one of the greatest minds in an epoch of great men. He was a leader, a thinker, a Torah and Talmud commentator, a halachic decisor, a successful defender of Judaism against the Church and its Jewish apostates. At the age of 70 he was exiled from his native Aragon, and during the next three years, he wrote the monumental Chumash commentary that has stood the test of over six centuries. Unexcelled in depth, breadth, scope, and profundity, Ramban's comprehensive commentary is exceedingly brilliant, exceedingly seminal - and exceedingly complex. Few are those who have mastered this masterpiece. Now, thanks to a superb group of exceptional scholars, writers, and editors, Ramban's Chumash commentary is coming alive in English for everyone. Following the renowned pattern of the magnificent Schottenstein Edition of the Talmud and the Sapirstein Edition of Rashi, this classic commentary is presented with unprecedented clarity. No effort has been spared to make this new Chumash clear, accurate, and "user-friendly". In short, this treatment of Chumash-Ramban will be the last word for generations to come. When completed, it will be eight volumes of excellence. This historic project will be a momentous breakthrough in Torah literature. Enjoy the richness of Ramban's commentary and see your understanding of the Torah grow as you never imagined it could.
