The Sociology of Return Migration: A Bibliographic Essay (Research Group for European Migration Problems) Frank Bovenkerk

1. 1. Why this essay? It is customary for the author on return migration to complain about the lack of theoretical and empirical knowledge on his subject. Three recent general handbooks on the sociology of migration Jackson (1969), Jansen (1970) and Albrecht (1972), produce together no more than 10 sources on return migration. The by Mangalam (1968), although extensive migration bibliography giving no less than 2051 titles, still comes up with no more than 10 sources. It is true that not so many books and articles are devoted exclusively to return migration: Appleyard (1962a, 1962b), Cerase (1967,1970), Committee . . . (1967), Davison, B. (1968), Dietzel (1971), Elizur (1973), Feindt & Browning (1972), Form & Rivera (1958), Frohlich & Schade (1966), Hernandez-Alvarez (1967,1968), Kraak (1957a, 1957b, 1958), Kayser (1972), Myers & Masnick (1968), Migration News (1969), McDonald (1963), O. E. CD. (1967a, 1967b), Patterson. H. O. (1968), Richmond (1967a, 1967b, 1968), Richardson (1968), Saloutos (1956), Stark (1967b), Vanderkamp (1972), Vagts (1960) and Wilder-Okladek (1969). But this does not imply that no further research has been done and that therefore every new student of return migration had to begin from scratch. In numerous studies on emigration, migrant labour, immigration, integration and assimilation, room has been made for a chapter or a paragraph on "those who returned" or "the migrant's return." I've found the demographical periodical Population Index relatively useful in tracing the subject. 1. 2.
