## **About "Adventures of Huckleberry Finn" by Mark Twain**

Most of the adventures recorded in these books have really occurred—<sup>3</sup>/<sub>4</sub> one or two were experiences of my own, the rest those of boys who were schoolmates of mine. Huck Finn is drawn from life—<sup>3</sup>/<sub>4</sub> Tom Sawyer also, but not from an individual—he is a combination of the characteristics of three boys whom I knew, and therefore belongs to the composite order of architecture.

The odd superstitions touched upon were all prevalent among children and slaves in the West at the period of this story—that is to say, thirty or forty years ago.

---

## **About "The Adventures of Tom Sawyer" by Mark Twain**

The Adventures of Tom Sawyer is an 1876 novel about a young boy growing up along the Mississippi River. The story is set in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived.

According to an October 2012 article published in Smithsonian magazine, Twain named his fictional character after a San Francisco fireman whom he met in June 1863. The real Tom Sawyer was a local hero, famous for rescuing 90 passengers after a shipwreck. The two remained friendly during Twain's three-year stay in San Francisco, often drinking and gambling together.
