Leaving the Navy after the death of his best friend in the line of duty, ex-SEAL Ben Harper has returned home in search of some form of normalcy. He's good at hiding his thoughts and feelings and is positive he has everyone around him fooled. After all, no one ever brings his service career up to him, and he likes it that way.

Presley James is drawn to the new Director of Security at the hospital where she works, just like every other nurse and employee in the building. Tall, dark, dangerous and sexy as hell. With a wicked grin and happy hello for everyone—he is a total contradiction. After spending most of her life caring for people, something about Ben is pulling at her. Something about his smile just doesn't equal up to the rest of him. No matter how hard he tries, she isn't fooled.

Will she be able to help him find his way when her own baggage is more than even she can handle?
