Finding the Right Fit: The Ultimate Guide To College Kenneth Albert

Learn how to: -Save thousands in tuition with the Right Fit Program -Get the scoop on college admissions - Know colleges' 4-year graduation rates -Find the right college -Find the right career As our teenagers plan to enter college, they make a monumental decision that will set in motion a series of events, and it is a decision they can only make once. They make this crucial decision at a time in their lives when they are the least equipped to do so. Most teenagers are conflicted between what they feel they are good at, what they think they want to be, and what they are told they should do. Read "Finding the Right Fit," get the facts, and learn to help your student choose their career wisely. Facts You Should Know: -2 out of 3 students do not graduate within 4 years -About 22% of students are taking more than 6 years to graduate -Fewer than 4% of colleges meet 100% of families' financial need -People between the ages of 18 and 38 change jobs an average of 10 times Find out why this is happening and how you can do better for your child. "Finding the Right Fit" guides parents and students through the trials of finding the right college and explains what colleges are looking for from students when they apply. You can save thousands in tuition costs by having a clear strategy for finding the right career and major that truly matches the core personality traits of your student. Plus, this book will give you an understanding of the complexities involved with admissions, earning scholarships, financial aid, and loans. "Finding the Right Fit" is a "must read" for parents preparing to send their children to college!
