MOONLIGHT DESIRES

Book #1

Shana isn't getting any younger. Engaged to be married, living in a nice house on Long Island, and always the best dressed in the room, she believes she's living the life every woman should. But when she takes a trip back to her ancestral Cleveland, she is catapulted into her old life of strange happenings and forbidden love. Baker is the blue collar dream man about whom she would pen all of her teenage poetry, intoxicated by his gentle words and physique chiseled by manual labor. The last time Shana saw him was the night he tried to suck her blood, yet since returning to Cleveland, she can't avert her eyes from the blinding glow of her old flame.

Book #2

Shana has fallen back in love with a man who wants to drink her blood. While visiting her family in Cleveland, the concerns of her life in New York suburbia are far away from her and she takes the opportunity to embark on an odyssey of carnal pleasure with her old vampire fling. Rifts develop between her and her sister when Shana shows scratches from the vampire's teeth on her neck, and the relationship grows ever tense. Will Shana throw all she loves to the wind for a chance at eternal lust with her old fling?

Book #3

In this stirring conclusion to the trilogy, Shana must choose between her loveless, impending marriage and a vampire lover who has been recently emasculated. Chaos tears apart Shana's family in the wake of her nephew's disappearance, and everything that was once beautiful and orderly in the world is now chaos. How could love ever be restored?
